

The image features a vibrant, multi-colored mosaic background. The mosaic is composed of numerous irregular, polygonal shapes in a variety of colors including yellow, orange, red, pink, purple, green, and blue. The colors are arranged in a somewhat circular pattern, with yellow and orange on the left, red and pink in the center, and green and blue on the right. The text 'La Sota' is centered in the image in a white, serif font. The word 'La' is smaller and positioned above 'Sota'.

La
Sota

Grupo Aceitunas Cazorla presenta la nueva gama de La Sota. Una colección para food service y retail que recoge los sabores más satisfactorios, aquellos que te transportan al lugar donde nacen el amarillo genista, el azul imperial y el rojo, propios de los atardeceres más intensos: los del Mediterráneo. Colores que se unen para crear nuevos productos de aceitunas y encurtidos, llenos de luz y atractivo visual para el consumidor.

La Sota, gama de alimentos saludables y fundamentales en la dieta mediterránea, y cuya calidad, extraída de las mejores materias primas, se aprecia en cada bocado.

Aceitunas Cazorla Group presents the new range of La Sota products. A food service and retail collection with the most satisfactory flavors, those that take you to the place where the imperial blue, red and genista colours, typical of the intense Mediterranean sunset were born. A creation of new products of olives and pickles, full of light and visual attractive for the consumer.

La Sota, healthy foodstuff, essential in the Mediterranean diet and whose quality, taken from the best raw materials, is granted in each mouthful.

Le Groupe Aceitunas Cazorla présente la nouvelle gamme de La Sota. Une collection pour food service et retail qui recueille les saveurs les plus satisfaisants, ceux qui nous transportent au lieu où naît le jaune genista, le bleu impérial et le rouge, propres des couchers de soleil les plus intenses: ceux de la Méditerranée. Des nouveaux produits d'olives et de petits légumes, pleins de lumière et d'attractivité visuelle pour le consommateur.

La Sota, aliments sains et fondamentaux dans la diète méditerranéenne et dont sa qualité, extraite de la meilleure matière première, est garantie pur chaque bouchée.
